The **LIONS NURSING HOME ANNUAL CHARITY FOOD FAIR** would be held on Sunday, 15th November 2009.

Since the Lions Club was established, Lions have been dedicated to giving back their communities. Lions are committed to improving the lives of those less fortunate, around the world and right at home, through the Lions Clubs International Community and services programs.

The **LIONS NURSING HOME**, established 17 years ago is one such programmed. It is a joint project of the 14 Lions Clubs in Kuching, Serian, Bau and Kota Samarahan. The Home provides nursing care to 56 aged residents and employed around 50 full-time staffs. Our operation is heavily subsidized by donations and fund raised through our annual food fair.

The success of the management of **LIONS NURSING HOME** depends on the donations and contributions from well wishers. Presently we have 56 residents at the Home and the new additional expansion of another 30 beds is now under construction and expected increased of nursing staff and nursing aids will further increased our operation costs and its building cost estimated RM 780,000.

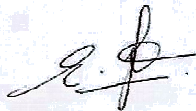

In this respect, the Management of **LIONS NURSING HOME** would like to appeal for your **SPONSORSHIP** in term of **cash donations** or **kinds/SET UP STALL** to our **LIONS NURSING HOME FOOD FAIR.**

Attached herewith is our Confirmation Reply for your kind action.
